

## "Don't forget.... It's time to pay dues for 2011"

*If you haven't done so already, please get your dues to Russell by the March 6<sup>th</sup>.*

### Presidents Corner - Mike Ryan

If you can't fly in the snow you haven't been flying for a while. If you can't fly in the snow you won't be flying for a while, maybe till June. A few of us did show up the Saturday after the meeting to brave the cold but failed to get anything in the air, cold engine and it just got too windy. We decided to try again Sunday with much better results. We all got a few short flights. Even a new plane, first

flight in the cold off the snow, now that's something. The after Christmas party went well. Mark's Chinook and Will's helicopter simulator kept everybody entertained.

We will have to finalize the swap shop, it's next month. Lets go flying off the snow.

---

### Minutes from Last Meeting - Russell Hurd

Meeting called to order at 8:05PM, by President Mike Ryan.

Treasurer's Report was given.

We briefly discussed plans for our annual Swap Shop, an idea was brought up to create an area to place larger planes that are for sale, so they don't block the aisles, more discussion at the February Meeting.

Dan Porcase made a motion to allow non fuel/gas powered aircraft to fly before 10AM at our **Diamond Hills Park Field ONLY**. Motion was 2<sup>nd</sup> by Jay Comyns. Motion Passed Unanimously.

Will Roberts brought up the fact that we spend approximately \$30 per month for

the newsletters that go out in the regular mail. He would like to lower the number that have to be mailed out, by having more members get the newsletter off our website. Please E-mail, or call Will, to have your name removed from the mailing list. He is also planning updates for the website in the near future.

The lucky winners of the Aero Tech Hobbies gift cards were, Randy Montgomery, Daniel Boon, and Will Roberts!

Meeting adjourned at 8:40PM.
