

## Presidents Corner - *Mike Ryan*

Hi everyone. Well have you been flying yet? The weather is warming up and the days are getting longer. Time to get out there and loosen those winter fingers. Remember to keep it three mistakes high and if you're in trouble, level the wings first, then pull up.

We spoke about sending a letter to your congressmen and representative about bill S 223. It's to keep our models from being lumped into the UAV category which could greatly limit our flying.

I want to thank everyone that helped at the Swap Shop again. Your help made it easy and fun. Keep flying.

## Minutes from Last Meeting - *Russell Hurd*

- Meeting called to order at 7:15PM, by President Mike Ryan.
- Mike Ryan reported back that we will only be allowed to hold 1 Float Fly at Lake Hodgson, that Float Fly will be held on Sunday, September 11, 2011.
- Dan Porcase announced that more mowing help is needed at our Diamond Hills Park field, if you are interested please contact Dan.
- Members present voted to hold two joint Fun Flies with CMAC, one at their field, one at ours. The first Fun Fly will be in June the 2nd in August or September.
